*Stewardship is returning a portion of our gifts to God. Dear Parents of CCD Students:

*In order for our faith community to grow and prosper for generations to come, we need to embrace Stewardship – giving a portion of our **time, talent and treasure** to those around us – as a way of life.*

*All that we are and all that we have are because of the grace of God. There are many things we have in our lives that we should be thankful for every day. We have our family, our friends, our health, our faith, a job, a home, food on the table and clothes to wear. For all that God has given us, He asks that we dedicate a portion of these gifts to serve those in need, to strengthen our own faith community and to be a faithful steward to help fulfill God's plan.*

*“As each one has received a gift, use it to serve one another as good stewards of God's varied grace.”  
(1 Peter 4:10)*

*Attached is a Stewardship form for your Child. Please make a copy for **each** stewardship service that your child completes for **each** month. Complete a form for **each** service that your child completed, **each** form is required to be signed by the supervisor and return to their CCD teacher. Directions are on the form. Please read completely.*

*Each stewardship act is to be done on a volunteer basis by the child. **For example:** It may be doing something at home without being told that helps the family, helping with a parish activity, volunteering at the local Senior Center etc. There are so many little things they can do for a few minutes each evening, it can add up to 60 minutes! The small things all add up. **It is one hour a month** of stewardship, it also can be more than an hour if the student so chooses or it can be a couple of different services during the month too. No same service can be a repeat over and over and each month is to be a different kind of service than the previous month.*

*Stewardship is an important part of our lives, it is an act of kindness that we learn by giving back to our community, church and our family. Stewardship consists of our time, talent and treasure.*

*We are asking you as a parent for your help & to encourage your child to learn about doing services for others. You may ask what does our child get from doing stewardship services. The reward is learning to share with others their God-given talents & hopefully they will continue to share their talents throughout their lives. Giving to others is one of the greatest gifts we can give & with all the things that are going on in the world, we can make it a better place. Small act of kindness are something we can all learn from and lasts a lifetime.*
